# CLUE SHEET

USE THE FOLLOWING INSTRUCTIONS BELOW TO HELP YOU KNOW WHERE TO HIDE EACH CLUE

Hey there \_\_\_\_\_, How do you do?  
Ready for an adventure that's been planned just for you?  
You'll gather the Armor of God by following the clues.  
The first place to look is by a pair of shoes.

**Scavenger Hunt Start:**  
Write your child's name on the line.  
Place this clue in the location of your choice to start the fun!

The first piece of armor is the belt of truth.  
Way to go, you found it. You're quite the sleuth.  
Buckle it firmly around your waist.  
It's your foundation, God's truth and it can't be replaced.  
The next piece of armor is inside something—you just have to think.  
You'll need one of these before getting a drink.

**Clue #1:**  
Place this clue where you keep your shoes (or by a pair of shoes)

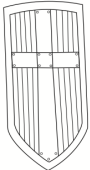

We have no righteousness on our own.  
Righteousness comes through Christ alone.  
Jesus paid the price for your sin and made it right.  
Because of Him you are blameless in God's sight.  
Without the breastplate of righteousness you'd be open to attack,  
So put it on and don't look back.  
Finding the next piece of armor will require you to look;  
You'll find it next to a favorite book.

**Clue #2:**  
Place this clue next to a cup (or where you keep your cups)

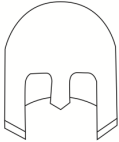

We put on the shoes of the gospel of peace  
Since Jesus has overcome the world, our fears release.  
Even when the world around us shakes,  
In Christ alone we'll stand firm through the quakes.  
We get to share the hope and peace of Jesus with others;  
Good News that will transform mothers, fathers, sisters, and brothers.  
It's time to find the next piece of armor — if you're able.  
Please go check your spot underneath the table.

**Clue #3:**  
Place this clue by a stack of books (or on a bookshelf where you keep books)

Faith is a shield against doubt, worry, and lies.  
It extinguishes darts from the evil one — no matter how hard he tries.  
We walk by faith, not by sight.  
God's promises will defend you day and night.  
Your faith might be as small as a mustard seed,  
But God can use it to move mountains — indeed!  
Well, well, well! You're clever, yes you are!  
The next piece of armor can be found where you might park a car.

**Clue #4:**  
Place this clue underneath the table

We all have sinned and fall short of God's glory.  
Thank goodness that's not the end of the story.  
Jesus paid the price for your sins and saved you by grace alone.  
Nothing can separate you from God's love. You are His child. You are known.  
The next piece of armor is near something that gives you light.  
It helps you see when it is night.

**Clue #5:**  
Place this clue outside where you park your car (or you could also place it inside next to a toy car)

The Sword of the Spirit is the Word of God.  
It is living and active and it is not flawed.  
When we abide in Christ and meditate on His truth day and night,  
We'll hide it in our heart so we are equipped to fight.  
Hey look at that, you've been here before—  
Go look for your next note outside the front door.

**Clue #6:**  
Place this clue  
next to a lamp

Talking and listening to God through prayer is a gift.  
Saying 'Not my will, but Your will be done' causes our hearts to shift.  
Apart from Christ we can do nothing.  
Our God is faithful, His promises are worth trusting.  
Keep it up, don't quit, the hunt is almost done.  
But don't be sad, learning about the Armor of God has just begun.  
Head to the \_\_\_\_\_ for some good ole fun.  
Remember though—walk, don't run.

**Clue #7:**  
Place this  
clue by the  
front door

— PUT ON THE FULL —  
**ARMOR  
OF GOD**

EPHESIANS 6:10-19

We're in a spiritual battle and now is not the time to retreat!

**Clue #8:**  
Place this where  
you would like  
the hunt to end  
and somewhere  
where you can  
take a seat to  
start talking about  
the Armor of God.  
Somewhere like  
your living room  
or a couch works  
really well. Be  
sure to write  
wherever you  
choose on the line  
(on clue #7).
