A worldview is the _____ through which you see the world. How we view the world determines how we _____ the world.

Every worldview contains four elements:

Key Question: Does my worldview line up with _____ ? (Truth = what is _____)

2. Why It Matters

3. Secular Worldviews at a Glance

We study other worldviews not to feel superior, but to (1) _____ lies in culture and (2) grow in _____ for the lost. (*1 Pet 3:15*)

	ORIGIN	PREDICAMENT	SOLUTION
Naturalism	Random acts of nature; Big Bang; evolution	Failure to respect the physical world	No real solution; ecology; golden rule
New Spirituality	Evolved animals; ongoing spiritual evolution	Challenges = growth opportunities	Follow your heart; evolve spiritually
Moralistic Therapeutic Deism	God created, but is now distant/uninvolved	People aren't 'good enough'; low self-esteem	Be good, nice, and fair → Heaven
Biblical Worldview	God intentionally created all things (<i>Gen 1:1</i>)	Sin — separation from a holy God	Jesus Christ; grace through faith alone

A danger for the church: _____ Therapeutic Deism can originate within the church itself and flow outward.
