Letter from Pastor Bard,

Fellowship of the Crossroads has always been more than a building! I've said it all along that this building is a tool. I am more convinced than ever that God wants FOTC to be the church that reaches people no one else reaches! You are a part... a big part! Your giving and your devotion have made this celebration possible. Thank you!

I understand that you are like me in why you give:

- You give because you love Jesus.
- You give because you chose to be obedient to God's word.
- You give because you love people.
- You give because Jesus is the hope of the world and FOTC is His mission.

Founding/Senior Pastor
Bard Letsinger

This is my challenge to you, to step up your generosity. FOTC has grown in number, but we have not grown in our giving. Some of you need to consistently give for the first time, others to move from giving to tithing, and others to move beyond the tithe to sacrificial giving.

Why am I challenging you in this? I love you and I don't want you to miss the blessing and the joy of giving. I want you to grow in your spiritual journey by obeying God in this manner. I want you to partner with God in something far greater than yourself.

My prayer is that we will continue to give for God's glory. I also pray that God will lavish His favor on you for your faithful obedience. I pray that we will continue to live and give "All for Jesus".

Founding/Senior Pastor Bard Letsinger

WHY?

FOTC needs to grow spiritually through giving
To provide resources to fulfill the vision of God
To be a part of something bigger than ourselves

"Enlarge the site of your tent, and let your tent curtains be stretched out; do not hold back; lengthen your ropes, and drive your pegs deep. For you will spread out to the right and to the left, and your descendants will dispossess nations and inhabit the desolate cities.

Isaiah 54:2-3

From Renegade To Rescue... The FOTC STORY

Man was destined to be a renegade, and God loves renegades. Because He loves renegades, God had a rescue plan in place. In 2010 God would stir the heart of a pastor with a vision of a church of rescue. This church would chase the renegades. And so it began...

In early years the church met in a bar, a rundown retail space, a dance studio, all the while making Jesus famous, until God opened the door for a better place. The Incredible Pizza building would become home to this band of renegades.

God was not done! He lead this church to purchase 60 acres of land and build an amazing building. This church started by God to reach renegades, had a new birth. The new birth required a new name, Fellowship of the Crossroads!

The call to reach the renegades never faded. God was moving them from being the ones who run to the ones who rescue. God was launching a movement in Victoria, Texas that would change history. He was changing renegades into rescuers.

The movement of God is more than a building, more than a location, more than a gathering. God is bringing the renegades home to himself. He is using you to do it! Join with us as we give releasing the resources to live out the dream of God... the vision of God...the church of God... it's more than a building...it's a movement... **ALL FOR JESUS!**

RENEGADES to RESCUERS!

The Lord answered me: Write down this vision; clearly inscribe it on tablets so one may easily read it. For the vision is yet for the appointed time; it testifies about the end and will not lie. Though it delays, wait for it, since it will certainly come and not be late.
