Gentlemen, I know that you love your families. You love your wife. You love your children. You would be willing to die for them. In most wars, that's what men are asked to do. They go off to war because they're willing to die for their families. But in this war, it's different. In this war, Jesus Christ is looking for men who will not die, but who will live for their families. That's what He would have you to do!"
