**Message: In the Right Element

Series: Win the Day

Recap: We're in the 6th message in our **Win the Day** series, based around the namesake book from Mark Batterson. We live in a negative culture and we need a win! We need something to celebrate; we need a victory! It starts when we win the day, one day at a time. Using Biblical principles for changing sides (moving from the losing side to the winning side), together we will learn to stress less and accomplish more in 2021.

Introduction

When a home is ruled according to God's Word, angels might be asked to stay with us, and they would not find themselves out of their element.

—Charles Spurgeon

People say "I'm in my element" - what is the "right element?"

If angels came into your home, would they be in their element or would they definitely be out of their element? In some homes instead of angels being guests, demons are masters!

Paul's Letter to the church at Ephesus

Ephesians 5:15-20 (NLT)

15 So be careful how you live. Don't live like fools, but like those who are wise.

16 Make the most of every opportunity in these evil days.

17 Don't act thoughtlessly, but understand what the Lord wants you to do.

18 Don't be drunk with wine, because that will ruin your life. Instead, be filled with the Holy Spirit,

19 singing psalms and hymns and spiritual songs among yourselves, and making music to the Lord in your hearts.

20 And give thanks for everything to God the Father in the name of our Lord Jesus Christ.

How do you win the day and live in the right element?
