**First Tree: Knowledge of**

**1. Knowledge of good and evil**

**3. Tree of life in Eternity**

## **God & Evil (Adam & Eve)**

- a. The first tree was not just an act of disobedience; it brought death and removed God from His rightful place in their lives and the rightful place of God in the earth.**
- b. The fruit of this same old tree is still being eaten today- more sophisticated, more excitable ways to describe its fruit.**
- c. What's worse than eating the bad fruit / we are bold and lack shame before God.**

**We want freedom / but we remain slaves**

**We want His way without His guidance**

**His truth without His boundaries**

**His blessings without His existence.**

**His goodness but not His definition of good**

**IMPORTANT:** The natural outcome of this decision was that man placed himself in the position of God, which God reversed by putting Himself in the position of a man.

- d. Some of the fruits of the tree of life indicated in the Bible are wisdom, righteousness, happiness, hope, wholeness, healing, abundance of joy, and, of course, eternal life in and with God.**
- e. This third tree is of all that God had planned from the beginning: humanity living in perfect relationship with Him, under His perfect provision and in His perfect love forever. Not because of anything we have done but because 'God is so rich in mercy and He loved us so much'.**
