SUFFERINGS OF CHRIST

Week 6: Overcoming Satan

Summary

In this sermon Pastor Mike continues our series, "Understanding Suffering." This series is designed to uncover the seven kinds of suffering. People often place suffering into one category to their detriment. But they are unlike and each requires a different human response.

Discussion:

1. What experiences have you had with suffering? Maybe it was related to a family member or your own personal experience. Please share with the group.

2. Read Job 1:20-22.

What was Job's response to his experience of suffering?

What does Job's response teach us about the character of God in relation to evil? (see the last line of v. 22).

3. Read Romans 12:9-10. What is the text teaching us about our posture in the midst of suffering or trials?

4. What are the six spiritual weapons Pastor Mike uses in his sermon notes. They are locatable in the Church 212° app under the sermons.

Which spiritual weapon(s) do you more commonly use?

Which spiritual weapon(s) do you need more growth with?

Respond in prayer.

Think through the truths of Scripture you have learned, and ask God to give you the grace, strength and wisdom to apply them.
