## **R.A. Tozer**

“Mortify the deeds of your body or your deeds will mortify you.”

“Beware of people who think they’re saved but don’t think much of God as Savior”

A great local church is measured not by the size of its budget, the size of its attendance, the size of its programs, the size of its “impact” on the community, but, by the size of its God.

The reason why many are still troubled, still seeking, still making little forward progress is because they haven’t yet come to the end of themselves. We are still trying to give orders, and interfering with God’s work within us.”

- What makes God so Wonderful is we look at the situation we find ourselves in (Sin, Habits, Hang-ups) and we look at who He is in our life. How big He is!!
- Prepare your heart to “know” God and “experience” His attributes, it is going to Anchor our Soul from Drifting.
- How Big is God to you? If you believe the nature, character, attributes of God, will you act according?

**Faithfulness – Service – Love - Humility**
