

Admit Your Need

05/01/2022 | Life Group Questions

1. Have you ever felt afraid to be open and honest with others? Why do you think we feel hesitant to share our hangups?
2. Consider Matthew 5:3. Why is admitting our need the first step in our recovery and wellness journey?
3. Consider Luke 18:9-14. What differences do you see between the pharisee and the tax collector? Give ample time for people to think and share their perspectives.
4. Consider James 5:16. What role does confession play in Christian community? Why is being a safe place so important?
5. Make a commitment today to be a safe place for others in your group, should anyone decide at any time to seek help by being personally open and honest. After making a commitment, pray.
