

Mighty God

Primary Scripture Passages: Isaiah 8 & 9, Revelation 12

1. Who has been the strongest person you've known in your life? What about them caused you to see them as "mighty?"

2. What thoughts or imagery pass through your mind when you think on this quote from Charles Spurgeon? *"Consider how precious a soul must be when both God and the devil are after it."*

3. If Jesus—the mighty God—is your champion, what battles that you have been putting off do you now need to engage in?

4. What application do you next need to practice in order to "gain ground" in this war: 1) Confess, 2) Repent, 3) Drag your sin into the light, or 4) Love?
