

The Believer's Identity - Lesson 2 in Satan's Seduction Children

Every child has the basic needs to be loved by their parents so they come to believe and rest in that love. Satan hates this! Look at that state of "family" in America if you need any further help seeing this reality, for he has attacked the biblical family model with the ruthlessness we should expect, and has done a remarkably effective job.

We need to love our children by the love of God, which is a supernatural love born of the Spirit-filled life.

Even if we are seeking to so love them, Satan will try to come between us and our children, to get them to feel like we don't love them. If we do not love them as they need, then Satan's job is even easier to devour them with his lies.

The ultimate goal as parents is that our children will believe in the love of God, be born again, and keep themselves in his love all the days of their lives. We represent that love of God to them, either in a positive or a negative light.

We need to be secure in our identity in Christ and teach our believing children of that, too. Every believer, young or old, IS dead to sin's power and wages and IS alive in Christ unto God so that we do not have to serve sin.
