And that Satan seeks to build strong holds in their minds that war against the truths of scripture 2 Corinthians 10:5

If your child is experiencing nightmares or tells you that they felt something move past them, don't just dismiss it to them as the "bogey man" or belittle the nightmares, especially if they are recurring.

You are their protector and you can command evil spirits to flee in the name of Jesus. As the children are born again you can begin to teach them that they too are God's children and have his authority over the devil and his angels.

Remember, Satan's only goal is to steal, and to kill, and to destroy...
