- 1) Where did you start? When you began the year, a month, a week in 2020, what was your starting point? What were wanting to happen? What happened?
- 2) What were some of the most helpful choices that you made?
- 3) Where did you end up? Where are you today? Relationally? Spiritually? Emotionally? What do you need from this point? What can you give at this point?
- 4) How can the answers above help you now as you begin a new year?
