Cracking the Code

This series is called **Cracking the Code**. Our Code represents our core values; the things we live and lead by. This 4 part series uncovers how we live transformed lives. Part 3 is a teaching of our statement; Grūps are our Focus (We Focus on a FEW).

Grūps are our Focus

We focus on a few...

1. Life-changing moments may happen in a crowd. But life-change happens in community.
 - a. Justification: God accepting you as good, not counting against you any sin you've committed. (Eph 2:8-9; Gal 2:16; II Cor 5:21)
 - b. Sanctification: process of becoming more like Jesus (II Cor 5:21)
2. It may be easy to come to Jesus by yourself. But it's hard to become like Jesus by yourself.
3. Don't diminish the power of group (Matt 18:20).
