**DATE: 10-09-2020**

## START

If someone plays hard athletically they have grit. If someone sticks to a tough project they have Grit. If someone perseveres through hardship they have grit. Grit can be defined as a positive trait based on perseverance and passion.

- Do you consider yourself to be a person that has grit?
- What is something that you are passionate about?
- What is something that you have had to persevere through?

## READ

[Genesis 12:1-2](#) (NIV)

The Lord had said to Abram, "Go from your country, your people and your father's household to the land I will show you. "I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing.

## THINK

It is easy to say yes to all the everyday things that come up in our lives. However, when it comes to the large things; the life altering things; the bold steps of faith God calls us to; we get creative in ways that we say no to some of the best things that we could experience.

- What are some creative ways you say no to God?
- Do you often feel unqualified when it comes to your faith?

God often calls us to the unknown. It can be hard to say 'yes' to the unknown because it means we have to let go of being in control. When God called Abram, there were a lot of unknowns. Yet, Abram was obedient to God's call and God set his life on an unforgettable path.

- What do you find difficult about letting go of control?
- What is God calling you to leave, let go, or live without?
- Will you say yes?

## PRAY

"God I know that you have a plan that is beyond anything that I can imagine. Your plan is perfect and meant for my good and your glory. Help me relinquish control and say yes to you."

## ACT

This week determine what God is calling your to let go of, leave behind, or live without and hand it over to God and see what He can do.
