

**PART 2: Everywhere with Everyone**

**DATE: 06-20-2020**

## START

During this time words that we have used have triggered new thoughts and have been connected to new emotions. Along with these words developing, God has most likely been developing you during this time through His super normal.

- What is something that you feel that God has been developing in you during this time?
- As Jesus has intersected with your life this season, what has changed?

## READ

[Acts 28:30-31](#) (NLT)

For the next two years, Paul lived in Rome at his own expense. He welcomed all who visited him, boldly proclaiming the Kingdom of God and teaching about the Lord Jesus Christ. And no one tried to stop him.

## THINK

There is purpose in presence. If we have learned anything over the past few months, it's that there is something special, powerful, and purposeful about being in the presence of others.

- What have you missed about being present with people over these past few months?
- Why is it important to be present with people?

As the Apostle Paul was present with people, he was able to proclaim the Kingdom of God and point people towards Jesus. Paul's ability to teach truth in combination with relationships and being present with people allowed the church to change the world.

- How can hospitality be a catalyst for pointing people to Jesus?
- How are you boldly proclaiming God's kingdom?
- How have you seen the church being unstoppable?

## PRAY

Pray that God will give you the boldness to proclaim His kingdom and the ability to have purpose in your presence.

## ACT

This week, lean into the purpose of being present. Allow your hospitality, presence, and boldness to be used by God to do His super normal.
