

**PART 1: For The Win**

**DATE: 02-07-2021**

## START

Over the past year we have been given lists of what we can't do. Why these lists have varied from month to month we it can be easy to get discouraged by everything we can't do. Despite the frustration there is still a list of what we can do, and God can work in amazing ways when we focus our energy on the "can do".

- What feelings arise within you when you are faced with a "can't do" list?
- What is on your "can do" list?
- What step do you need to take that you can do to serve?

## READ

[1 Thessalonians 1:6-8](#) (NIV)

And you became imitators of us and of the Lord, for you received the word in much affliction, with the joy of the Holy Spirit, so that you became an example to all the believers in Macedonia and in Achaia. For not only has the word of the Lord sounded forth from you in Macedonia and Achaia, but your faith in God has gone forth everywhere, so that we need not say anything.

## THINK

Despite the "can't do" list this past year we have still seen God work through His church in tremendous ways. Regardless of the obstacles we might face we can focus on what we can do to bring glory to God and make Him known to others. We can do this by loving people by serving, encouraging, and inviting people to Jesus.

- How can you love people by serving them to Jesus
- How can you love people by encouraging them to Jesus?
- How can you love people by inviting them to Jesus?

We know and can have confidence that God will continue to work and through the church. Chris shared some exciting ways that we at TCC have been able to partner with God.

- What were some things that Chris mentioned that got you excited?
- What are you excited by at TCC this upcoming year?
- How can you continue to partner with what God is doing in and through His church?

## PRAY

"God, this year has been difficult, but despite the difficulty of it all you have continued to make your name known and to work through your church to do amazing things. Thank you for your promises and continuing to allow us to partner with you."

## ACT

This week, ask God to lead you to where you can make an impact and take a step into loving people by serving, encouraging, and inviting people to Jesus.
