

**PART 6: Maximize Every Moment**

**DATE: 09-06-2020**

## START

As we live in a polarized world God is raising up leaders, and He is continuing to raise up leaders out of the church. It's easy to come up with excuses on why we shouldn't lead. As followers of Jesus we are called to lead, and leadership can take on many different shapes and sizes.

- Do you consider yourself a leader?
- What excuses do you usually come up with not to lead?
- How does God's promises of Him being with you and rescuing you help you to lead?

## READ

[Jeremiah 1:10](#) (NIV)

See, today I appoint you over nations and kingdoms to uproot and tear down, to destroy and overthrow, to build and to plant."

## THINK

We know that our world is filled with hurt and pain. It is easy to see that there has to be more to life than what we experience on a daily basis. We know that God is leading us to something better, and although we walk through the wilderness to reach the promised land we can thank God that we have been created to walk together. Together we can build up and plant something new.

- What is something that you see that needs to be torn down and replaced with something new?
- What impact have you seen in your life by walking together with others?

This weekend we were given some practical action steps concerning our leadership, and to take a step and move with God. Those steps were to step into a Life Group (or to start leading a Life Group); Step up and Lead; and Step Out and Love First.

- What is God calling you to do regarding a Life Group?
- How can you step and lead during this time?
- How can you step out and love first?

## PRAY

Ask God to make known to you how the three actions above are applicable in your life right now.

## ACT

This week, take a step towards one of the three action steps mentioned this week. Join a Life Group; Step Up and Lead; and/or Step Out and Love First.
