

**PART 3: Victorious**

**DATE: 05-31-2020**

## START

We have all been on a vacation that we will never forget. The vacation spot is terrific and is filled with memories. Oftentimes, the adventure of getting to your destination is half the fun. You are always wondering when you are going to get there, but you don't always know what the journey will have in store.

- What has been one of your favorite vacations?
- Share a story of when you set off for a trip, but were unsure of exactly how to get there?
- How can we trust God to get us where He wants us even when we don't know how we are getting there?

## READ

[Judges 6:34a](#) (NLT)

Then the Spirit of the Lord clothed Gideon with power.

## THINK

In life it is hard to have a perfect plan on how everything is going to play out. God calls us to follow him even when we don't know the plan. I'm sure like Gideon, if we knew the plan we would be hesitant to be obedient.

- Share a time in life where it would have been hard to follow God if you knew all the details?
- How has God orchestrated moments in your life to keep your focus on Him?

God is a patient God. It can be difficult to follow God and be obedient when we are not sure of all that His plans involve. Yet, God is patient with us, and His patience is tied to the promises that He has for us. He is patient with us even when we face obstacles. As a matter of fact, our greatest obstacle is God's greatest opportunity.

- What obstacle are you faced with currently?
- How can that obstacle be turned into an opportunity for God?

## PRAY

Pray that God will give you faith to trust in His plan and to follow Him in obedience.

## ACT

This week, bring whatever obstacle you are facing to God. Allow Him to take control and give Him the opportunity to overcome.
