

PART 3: The Power of ONE

DATE: 03-21-2021

START

It can often seem like we are living life as a fish in a fish bowl. Everyone watching in and giving opinions even if they weren't asked for. Life can be hard, but that is why Jesus knew unity had to be a focal point in our lives.

- When have you felt like everyone was watching every step you take?
- Where do you find unity in your life?
- How does being unified with Jesus and His followers help us navigate life?

READ

[John 17:22-23](#) (NIV)

I have given them the glory that you gave me, that they may be one as we are one—I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me and have loved them even as you have loved me.

THINK

Living life in unity has its challenges, but it's rewards far outweigh those challenges. Living in unity allows us to point everyone to Jesus and to discover the beauty that is found in the we of being one.

- What challenges do you find when it comes to living in unity?
- How does living in unity point people to Jesus?
- How can you better strive to live in unity within the church?

When we live in unity we are able to help connect the unconnected. We are called to go and find people that need to hear about Jesus' love, to come and see what living in unity means, and to love people by serving them to Jesus.

- Who do you need to go and find?
- Who do you need to invite to come and see?
- Who do you need to serve this week?

PRAY

"God, give me eyes to see and the boldness to seek out those that need to hear about your love. Place people in my path to invite them to come and see what you can do."

ACT

This week, take some time to pray for those in your circle, in your community, and in your church that we might be unified so we are able to show the world that Jesus is who He says He is.
