FEATURED RESOURCES

The graphic features a smiling couple in a white shirt embracing. The text 'Marriage ENRICHMENT CLASS' is written in a mix of red script and bold black and red fonts. A small red heart is to the right. A book titled 'the art of marriage' is shown. The dates 'SATURDAYS MARCH 7TH- APRIL 25TH' are in bold black text. The NDCBF Marriage Ministry logo is at the bottom right.

God can turn any marriage into a masterpiece. Join our Marriage Ministry for this 6 week couples Bible Study. To fully participate, each couple will need The Art of Marriage small group study guide, which can be purchased at the Family Life online store. The study guide contains group discussion questions, mini-projects for completion during group meetings, date-night suggestions for couples and articles and tips for improving marriage.

CHRISTIAN
6 Week Course
APOLOGETICS
Tuesdays, 6:30pm-8pm

All Christians should be ready to give a defense to everyone who asks for the reason for their hope in Jesus Christ. For some Christians this will be a very special ministry calling, but all Christians should be able to explain what they believe, why they believe it, why others should believe it, and why contradictory belief systems are incompatible with Christianity.

This exciting, new, 4-week class will build a foundation for learning and memorizing Scripture. An apologetic verse will be studied using an inductive Bible study method (observation, interpretation & application). We will especially emphasize how memorization is greatly and positively impacted by having a robust time of Bible study.

Join us in the sanctuary to pray as a family, followed by Community Pray & Go, where we will go out into surrounding neighborhoods to pray. Steeped in community outreach, this is a wonderful opportunity for ministries to practice what we believe--praying for everyone according to 1 Timothy 2:1-2. This will be a great experience for those who are interested in evangelism. All are welcome, bring a friend!

WARNING

If you receive any solicitation emails addressed from Pastor Edwards, or any of the church's leadership, or staff, please report to communications@ndcbf.org immediately. No one in the NDCBF leadership or staff will ever contact you for any donations. Please remain alert, and when in doubt, always reach out with questions or concerns. Thank you!

THE WELLNESS CORNER

2026 Health Check Up

Nearly **80% of health and fitness resolutions are abandoned by January 19**. If you're still committed to your goals — keep going. You're building a strong mind and body.

If you've fallen off track, remember **it's never too late to restart**. Spring is your opportunity to reset, refocus, and renew.

3 Steps to Renew Your Health & Fitness Goals

1) Make a Decision

- Visualize your future self — are you building a body and mind that THRIVE, or one that just survives? Let's train for thriving!
- Adjust your workout routine if you encounter barriers (i.e., work hours or travel, sick children, etc.).

2) Make a Plan

- Will you focus on strength training, aerobic exercise, or both?
- How many days per week will you commit to movement?
- Will you exercise at home or at a local gym?

3) Make a Move

- Start exercising — there will never be a perfect time to get started.
- Stay consistent – set workout reminders in your phone.
- Be mindful of your nutrition and daily habits.

Ready? Set? Let's Move!
