## FOXHOLE PRAYERS

Ephesians 6:18-19

### FOXHOLE PRAYERS

(EPHESIANS 6:18-19)

Use your imagination and see yourself as a soldier in a frontline foxhole. A massively powerful enemy is advancing toward you with a brilliant battle plan to take you out, along with all your fellow soldiers. Your foe is aiming top-of-the-line weaponry directly at you that is exploding all around. It is incredibly hard for you to see through the smoke and fire, and it is almost impossible for you to hear through the din of combat. Nevertheless you are completely confident that your army can and will beat this adversary because you have a commanding officer (CO) who has never lost a battle. In fact, he has already won the war! *Listen:* Your enemy is the Devil. Your army is the Church. Your commanding officer is Jesus Christ. The war was won at the Cross. The foxhole is your Christian life here on Earth. The battle you're in is the daily attack from Satan who won't quit assailing you until you arrive in Heaven. Today, we're going to learn that in order to win these earthly battles of the Christian life, we have to be in constant, correct, crystal clear communication with our CO in Heaven! Today we're talking about **FOXHOLE PRAYERS**.
