LOVE OTHERS TO JESUS

FOR THOUGHT & TALK

In your small group take 5-10 minutes to review the main points of the message. Discuss the following questions, taking your time as the Spirit leads, realizing you don't have to cover them all.

1. Think about your relationship with Jesus. When and where do you experience His love? How often do you reflect on the love you have for Christ? What are some ways you can be reminded of His love?
2. What are some ways that are easy for you to love others? When is it difficult for you to show love to others? When you view people as God's creations, how can this help you love the hard-to-love with a godly perspective?
3. How are you currently sharing God's love with others? In what areas are you confident in sharing the Gospel with someone who needs it? In what ways do you struggle with sharing? Can you think of someone you need to be more like Christ to?
4. As the church, we are called to love Jesus, love others, and love others to Jesus. How can we, as a group, show this love to the people in our community? What are some ways we are currently succeeding in living out this mission and how might we improve?
