

What is this thing called **“ROOTED”** that NCFE is doing for the next 10 weeks, and why should you get involved with it? ROOTED is a personal journey of spiritual growth that combines the teaching of our *Sunday morning worship gatherings* with an interactive *small group experience* and your own private time spent in *devotional commitment* to Jesus. This is the original *spiritual formation* approach used by Christ in the lives of His first followers. As you read the Bible, you’ll see that Jesus poured His life into teaching crowds while at the same time shaping the lives of individuals in a small group called “the Disciples.” These initial disciples then took the message of Jesus, passed it on to others using the same method, and, throughout the centuries the lives of countless people have been opened up to God and wonderfully transformed forever. Our hope and prayer is that the Holy Spirit will use **ROOTED at NCFE** to help us all become happier, more dedicated followers of Jesus that will be far more successful than we’ve ever been before at bringing the love, grace and truth of Jesus to all we know. Please join us in becoming deeply ROOTED.
