The Biblical word **Gospel** means **Good News**. What's so good about it? The Gospel is Good News because it describes how people who are disconnected from God and under His condemnation, can instead be reunited with God and become His beloved children. The Gospel is Good News because it tells us about God's loving plan of **salvation** that rescues people from slavery to sin, the finality of death, and the horrors of Hell. The Gospel is Good News because it details God's gracious plan of **redemption** that supplies people with the freedom of holiness, the eternity of life, and the happiness of Heaven. The Gospel is the central theme of the entire Word of God. Hey, let what you just read sink into your brain! When you recognize the evil that God wants to keep us from, and when you realize the blessings that God wants to shower on us, you can't help but celebrate why the Gospel truly is Good News. Today we dive deep into what the Gospel is all about, and as we do, we will love the Gospel of God all the more. The Gospel is...
