

COVID-19

CHURCH UPDATE

At Prayer Assembly we take the health and safety of our members and guests very seriously. In light of the growing concern about the Coronavirus (COVID-19), precautionary measures are being taken in our facilities.

BUT WE ARE STILL HAVING OPEN CHURCH SERVICES!

What we have done:

Instructed our cleaning teams to increase deep cleaning and disinfecting in all areas, including the classrooms, the kitchen, the lobby, bathrooms, and sanctuary as well as maintaining the hand sanitizing stations throughout the facility.

What you can do:

- Wash your hands for 20 seconds using hot water regularly.
- Feel comfortable not participating in any bodily contact such as hugs, high-fives, and handshakes.
- Stay home if you are experiencing flu-like symptoms, especially if you have a fever, are coughing or sneezing or are experiencing shortness of breath.
- If you do choose to stay home, you can watch services and continue to give via the [PA App](#) and pacogic.com.

We are committed to making PA a safe place for everyone and are staying up to date with current news and CDC recommendations.

“For God has not given us a spirit of fear, but of power and of love and of a sound mind.”

– 2 Timothy 1:7

Stay prayerful!
