

HOW TO HEAR THE VOICE OF GOD

How to use the weekly guide: Talking through the message during the week helps you and your group turn what God is saying to you into action steps. If your group is new or very busy, utilize the main section questions to guide your group.

How to Hear the Voice of God

Many people have a tough time believing that God still speaks. We've learned from Scripture that God spoke to His people in ancient times and in mysterious ways, but how do we hear His voice now? The truth is God still communicates with His people, but He often speaks in a whisper—not to make it difficult to hear Him, but to draw us close. God is speaking. Do you know how to listen?

- How might you incorporate the spiritual discipline of stillness into your everyday life. (tip: start small and focus on the ability to be consistent)

- Take time to pray for these next steps and any additional prayer requests.
