NEW SERIES  
12.06.20

**How to use the weekly guide:** Talking through the message during the week helps you and your group turn what God is saying to you into action steps. If your group is new or very busy, utilize the main section questions to guide your group.

## Christmas Party - Week 3

Pastor Konan kicks off our Christmas series that will focus on the parties we see in Scripture. In this week's message, Pastor Konan talks about what we do when the party crashes. This week's message is about the Angel announcing to Mary that she will be pregnant with the savior. In this moment, Mary and Joseph's world may have felt like it was crashing down. What do we do when it feels like the party is crashing?

### Connect - What was the high and low of your week?

1. What's your favorite Christmas song and why?
2. What was the hardest part of 2020 for you?

### Learn - "What is God teaching you?"

3. Read **Luke 1:26-38**
  - o How do you respond when things don't go the way you had planned?
  - o It's not uncommon to doubt God when life gets hard. What does this imply about what we believe about God?
  - o Why might God not give you all the answers in what He is doing in your life?
4. Read **Hebrews 13:5**
  - o Who's someone you know who seems to trust God no matter what they're facing? What do you think is different about them?
  - o During a time that was (or is) difficult, how did you (or do you) continue to embrace God in the middle of the trial?

### Apply - "What is God challenging you to do?"

5. If you haven't yet, write down the areas where you're intentionally surrendering control to God: marriage, past, relationships, school, finances, future, job, health, kids. Do one thing each day this week that forces you to rely on God and others for the outcome.

### Prayer - How can we pray for you?

6. Take time to pray for these next steps and any additional prayer requests.
