How to use the weekly guide: Talking through the message during the week helps you and your group turn what God is saying to you into action steps. If your group is new or very busy, utilize the main section questions to guide your group.

A SEAT AT THE TABLE - WEEK 1

Sermon Recap - Pastor Konan talked about having awareness to those around us. As followers of Jesus, we need to be aware of the needs of those around us. This month let's keep our eyes looking outward and step out in meeting the needs of others.

Connect - What was the high and low of your week?

1. What will Thanksgiving look like for your family this year?
2. When do your Christmas decorations go up?

Learn - "What is God teaching you?"

3. Read **Mark 10:46-52**
 - o What are your observations about this passage?
 - o Can you think of a time when someone immediately helped you before asking questions about how you found yourself in a situation? If so, describe the experience.
 - o When you notice a disruption that affects someone else, do you focus more on the reasons behind the disruption or do you jump in to help? What does a proper balance look like?

Apply - "What is God challenging you to do?"

4. It can be difficult to help someone without hoping for something in return. What are some ways we can avoid expecting something for our willingness to help?
5. Stay tuned this coming Sunday, November 15th, as we announce our Love Gives Outreach. As a church, we will be looking to adopt 100 local foster families.

Prayer - How can we pray for you?

6. Take time to pray for these next steps and any additional prayer requests.
