Day 17: Wednesday, January 21st

READ: Daniel 3

This is one of the most dazzling stories in the Bible. You can surely relate to the situation these three young men faced--when facts fly in the face of truth. The facts were that they had broken the law, and they were either going to bow or burn. But the truth opposed those facts! The truth was that either their God was going to deliver them or they would willingly die in His service. The truth is that God walked with them through the flames. What facts are you facing that defy God's truth? Take the facts to God in prayer today and believe with boldness that your God will be with you in the fire.
