

# SRC FAST

*Daily Devotion*

**Day 15: Monday, January 19th**

**READ: Psalm 51**

---

You're starting the third and final week of our fast. As a group, take time to reflect together and celebrate what God has begun. Be sure to write down your experiences. Even though you may feel like you're establishing a routine now, for many this final week will be harder than the others. Ask God to search you and begin to shine a light on all the dark corners of your heart. Ask Him to use this last week to refine you and cleanse you.
