

# SR<sup>C</sup> **FAST** *Daily Devotion*

**Day 4: Thursday, January 8th**

**READ:** Psalm 119

---

This longest psalm in the Bible is primarily about a passion for God's Word. These 21 days you've set apart will be much richer by combining Bible reading with your fasting and prayer. You may want to make plans to start a reading plan that takes you all the way through the Bible. How would you describe your passion for God's Word at this moment? Pray today that God will increase that fire in your heart during this time.
