**Day 7: Sunday, January 11th**

**READ:** Mark 14:1-26

Broken and poured out. You see those words in both the story of the woman and the last supper. Since bread and wine are likely not options for you to remember Jesus during these 21 days, do what the woman did. Do what Jesus did. Live your life broken and poured out in remembrance of what He has done for you. How can your life be a living memorial to Christ? Talk to God about things in your life that need to be broken and poured out like that vase of perfume.
