Genesis 37

the real idea behind the ancient Hebrew phrase for tunic of many colors is that it was a tunic extending all the way down to the wrists and ankles, as opposed to a shorter one. This was not what a workingman wore. It was a garment of privilege and status. The man who wore a tunic of many colors watched others as they did hard physical labor.”

We cannot control the fact that life isn't fair...we can only control the way we respond to the realities of the world.

“But Joseph said to them, “Don't be afraid. Am I in the place of God? You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives.”

(Gen 50:19-20, NIV)
