## GALATIANS 5:24

And those who belong to Christ Jesus have crucified the flesh with its passions and desires.

FLESH

“Those who are crucified may still live on for some hours. But they are doomed to die; their life is a very painful one, and it is hastening to a close. A man who is crucified cannot get down from the cross to do what he wills. It is a great blessing to have our sinful self thus nailed up. It may struggle, but it cannot get down; it may strive and cry, but its hands and feet are nailed... The Lord grant that the nails may hold very fast, that none of the struggles of our old nature may be able to pull out those nails that have fastened it up to the cross!”
