

Insight and Understanding

Matthew 13:11

Study Guide

Wealth for the Body of Christ is a mystery that you cannot tap into by religion. You cannot tap into it by tradition. The only way you can tap into the God-kind of wealth is by revelation.

Supernatural debt-cancellation, supernatural increase, and living a supernatural life are mysteries.

Job 1:3

1 COR 2:9

Do you **love** God?

Religion, theology, and the doctrines and traditions of men have tried to talk us out of it.

God has given us the ability to understand the mysteries of covenant wealth/ and we have to work those mysteries with the insight that God has given us.

It Is Given To Us to Know the Mysteries of Covenant Wealth

MATTHEW 13:11

Something has been given to us as believers that nonbelievers do not have. Since that is so, our lives should be **different** than their lives.

God wants us to know the mysteries of wealth, because He wants to reveal to us how to operate beyond natural standards.

You can switch from academic living to anointed living in the world of financial freedom.

MATTHEW 13:12

It will happen to us when we have wisdom and revelation, and we work it from a spiritual perspective without leaving our mind out! In other words, we have to think.

1 Cor. 2:16

We have to renew our minds and our thinking on the matter of wealth, because we have been religiously brainwashed concerning what God thinks about it.

We have to understand these mysteries and stop letting other voices stop us from walking in our covenant,

We have to stop acting so super-spiritual, saying, "I'm not concerned about money."

Miracle Insight

It is insight about miracles— about how God and the Holy Spirit work to bring them about in your life.

It is the grace, mercy, goodness, kindness, and power of God working on your behalf that no one can stop.

We need to know that mysteries have to be revealed to us by the Holy Spirit.

Matt, 13:11

John 10:10

Ephesians 3:20

Luke 6:38

Divine Moments— When Secrets Are Revealed

These secrets revealed occur at "divine moments" when His Spirit pulls back the curtains while you're reading or meditating on a scripture, and you start seeing more than you've seen before.

"**Divine moments**" are times when God pulls back the curtains, so to speak, and gives you a peek into the reality of what you're believing Him for.

ISAIAH 45:3

DEUT. 29:29

Those things that are revealed belong to us and to our children forever.

PSALM 25:14

Do you know what it means if God begins to show you His covenant, His secrets? He gives us revelation knowledge of these things so that we can walk in them.

JOSHUA 6:12

Faith shouts while the walls are still up! See **yourself** as financially free while that wall is still standing.

You can't dream any bigger than God can deliver!

Mysteries That Can Bring Us Out Of Misery

Matt. 25:21

The secret is in obeying God. It is in being faithful over a few things so that He can make you ruler over many.

there is a lot of misery, because most Christians don't know how to get their breakthrough.

We have a right to know the mysteries. We have a right to be blessed.

This kind of thinking bothers Satan. He doesn't want us to know the mysteries, because we have a grave responsibility with money to preach the Gospel.

But when the mysteries of money get cleared up in your thinking, living a good life and supporting the Kingdom of God on a high level will be your reality.
