

Walking In God's Financial Favor

Psalm 1:1-3

Study Guide

1Tim. 6:17

The Bible warns against trusting, or putting your hope, in "uncertain riches.

Many in the Body of Christ have been broke, struggling, and barely making it by financially

The cure for empty hands is to be positioned to receive the financial favor of God.

God has provided us with financial favor.

Psalm 102:13

We can talk about the offering all we want, but if people don't understand financial favor, they won't sow properly, and they won't reap properly, either. They won't experience the financial increase that God wants them to have in life.

To Receive God's Financial Favor, You Must Realize That He Is Your Source

Before you can receive financial favor from God, you're going to have to establish Him as your source.

Philippians 4:19

First, the Holy Spirit said through Paul that God would meet all their need because they were givers. But then the Lord said something else about how He was going to meet that need: "...according to his riches in glory by Christ Jesus." When God says He's going to bless you according to His own resources, that's financial favor!

Ephesians 3:20

The phrase, "...exceeding abundantly above all that we ask or think. ..." is the measure of your source when you establish God as your source.

You have to understand that this kind of wealth is available to you and that God will fill your hands with wealth if you will permit Him to do it.

Your financial favor and the turning of your financial captivity will take place "according to the power that is able to work through you" as you believe and trust!

To Receive God's Financial Favor, You Must Realize How Much God Loves You

To receive favor from God, including financial favor, not only do you have to establish God as your source, you have to recognize the great love He has for you.

Romans 8:37-39

Because you are in Christ, God favors you this day.

To Receive God's Favor, We Must Understand His 'Blessing System

- (1) We must establish God as our source;
- (2) we must understand how much God loves us.
- (3), if we want to receive the financial favor of God, we must understand His plan of systematically blessing us, or His "**blessing system**."

Part One of the Blessing System: Separate

To walk in God's favor, there may be times He will ask you to separate yourself from some people, some habits, some beliefs, and so forth in order to walk just with Him and with those who will approach His Word with an open and sincere heart to receive truth

Philippians 4:19

God may require you to separate yourself from these people. If not physically, He may require you to turn your back on their unbelieving ways so that you may follow Him more fully.

Genesis 12:1-4

Genesis 12:1 (Amplified)

Psalms 1:1-3

The last words of this passage read, ". . .and whatsoever he doeth:" shall prosper. Why don't we see more of this happening? Because if we want to walk in this kind of favor and blessing from the Lord, we're going to have to do what verse 1 says.

We can't receive ungodly counsel and at the same time try to walk in the godly counsel of God's Word.

Proverbs 13:20

We are prevented from taking hold of it because of wrong words we allowed to enter our ears and get into our heart and mind.

1 Cor.15:33

Part Two of the Blessing System: Show

God's systematic plan of blessing is designed to bring you from one level to the next. God doesn't want you to stay in one place in your finances or in any area of your life. He is always calling you up higher.

Genesis 12:2 (Amplified)

Isaiah 61:3

How One Woman Qualified For Financial Favor and Received Handfuls of Purpose

Ruth 1:16-17

Determined, Devoted, and Rewarded

Ruth 2:15-16

Ruth was determined and devoted, and from there, she was rewarded she went from receiving "handfuls of purpose" from a godly man of wealth to becoming a matriarch in the bloodline of Jesus!

God will give you favor, when you're devoted to Him and to the truth of His Word. When you're willing to pay the price to obey and follow Him, as did Abraham and Ruth, God will rain financial favor on your life and fill your hands with plenty!

Favor Will Fill Your Hands and Spoil Your Enemies

Exodus 3:21,22

When God first told Moses that he would lead the Israelites out of Egypt, He said to Moses, "You shall not go empty.

It was a divine transaction wrought by the favor of God that rested on His people.

There are going to be some divine transactions take place in the Body of Christ too that means they will happen in your life! Because of God's favor on your life, people will give you favor that you never had before.

Exodus 12:35-36

Notice who received favor as a result of their obedience: the people. Moses received the word, or command, of the Lord and delivered that word to the people. But it was the people who benefited as they obeyed God's words as spoken through the man of God.

The same is true today. As God's people today have respect for the Word of God as ministered from the mouths of His ministers they will benefit from the Word that's ministered.

2Chron. 20:20

The Power of Financial Favor

The way God completed this transference of wealth when He delivered the Israelites was not "**normal**" or **natural**.

2Chron.16:9

God wants to show Himself strong on behalf of those who walk with Him, fully committed to His Word and His ways.

It is God's purpose and pleasure to show you financial favor and to prosper you.

The Confession For Financial Favor:

My Father has placed the anointing of favor on my life. Therefore, I fully expect to receive favor from others as I obey Him. I will not reject favor because of false humility. To the contrary, I know that through God's financial favor, I am amply supplied with all that I need and more.
