

Have the Right Mindset

Mark 12:43

Study Guide

There are three thoughts that must prevail in the life of who walks in covenant wealth. First, we must believe in wealth as a part of the covenant and of the blessing of Abraham.

First we must believe it's all right to be blessed and to have nice things once you've fulfilled God's purposes with finances and have submitted to Him with your money.

The second mindset we must have to walk in covenant wealth is that you must align yourself with God and His Word concerning money.

Third, we must be prepared in your heart and mind for persecutors and prosecutors who are ignorant of the truth and who will come against you.

You cannot mix religious ideas with the revelation of wealth.

What does the Lord think about money?

MARK 12:41

Why would Jesus watch the treasury?

We need to wake up to the fact that the treasury means something to God.

To function and operate in the earth realm, the loudest voice in the natural is money.

MARK 12:41-44

If we really want to walk in the God-kind of wealth, you are going to have to come to the point of saying, "I own nothing and God owns everything.

In order to have covenant money, you have to separate yourself from money. Jesus cannot just be Lord over your spirit, soul, and body; He has to be Lord over your finances too.

Ask yourself if you really trust God with your finances and with your financial well-being.

Those who want to break out from this world's system of wealth and really walk in the fullness of God's financial plan will have to die to money.

John 12:24

Money talks to God; your money is how God really finds you out. Anybody can holler, "Hallelujah!" But can you "put your money where your mouth is"?

The job that God will use you for will be the vision He has planted within you.

Do you think that widow woman went unblest?

If you could beat God in your giving, God would no longer be God.

Ephesians 3:20

The 'Unlimited' Return

Mark10:30

But God is not a 30-fold, 60-fold, or 100-fold God.

The 30, 60, and 100-fold measurements are for us to know where we are.

There is no level at which you can "break" God or cause Him to go broke. And there is no level at which God stops when it comes to blessing us. That level is up to us, not Him.

Manifestation

Many in the Body of Christ know about making confessions based on the Word, but they aren't seeing the results that the Word promises them.

If we don't set ourselves to agree that confessions should lead to manifestations, we will remain defeated, stuck in our "confession mode" with very little coming to pass in our lives in the way of a breakthrough.

JOHN 14:21

God will manifest His ways, His instructions, His leading, and His help—whatever you need in order to appropriate and enjoy for yourself the blessing of God.

Is it manifestation time in your life?

No satanic power will be able to stop it, and you won't be able to hide what God is doing in your life!

Remember, whatever He says to do, you do it.

Many people are looking to give to somebody who's broke. They don't believe in upward sowing, where "the Manifestation secrets lesser blesses the greater"—where you're blessing somebody who has already been where you are, and his or her anointing can reverse your situation and pick you up.

Listen to the Spirit of God, because God will use some people as soil for your sowing that will serve as your bouncing-off ground to walking in covenant wealth.

God is not always going to deal with you in such a way that you can figure it out or in such a way that you're in control.

To be a commander, you have to submit first. You have to yield to Him. And once He finds out that you'll do it, He will let you have covenant money.

You Are Not Alone

You can have faith to receive anything the Bible says you can have.

Acts 10:34

What He has ever done for anyone else, He will do for you too.

MATTHEW 17:24-27

This is a classic example of the supernatural in manifestation.

You are not in your condition by yourself. The Lord is in it with you, and He is ready to eradicate from your life any symptom of lack.

Principles of Manifestations

John 14:21-23

Matthew 13:11

Judas was really asking the question, "How am I going to know something the world doesn't know?"

There are three things from the Word you should know about manifestations that will encourage you in your faith.

1. Jesus never manifested Himself empty-handed.

2. Jesus will never show up and say, "I can't do that for you," if you have faith for it.

3. If you know the mysteries, you can have the manifestations.
