

Don't Bypass the Covenant and Forsake Your Blessing

Deuteronomy 8: 17,18

Study Guide

Two Systems

DEUTERONOMY 8:17, 18

Verse 17 points to your job, your education, and your own abilities as a means of trying to obtain wealth. Verse 18 points to walking in wealth God's way.

You won't do with it what God says to do with it, because you won't see it as God's money. You will see it as yours to do with as you please.

You see, if we're going to walk in covenant wealth, we will have to know that we are just a steward handling money for God.

How Covenant Wealth Doesn't Come

Covenant wealth comes not by achievement. It comes not by accomplishments. The money you make from the job you're working is seed. It's seed to sow so your wealth can grow.

Wealth By Works

The prosperity that God has planned for us has nothing to do with our profession, our job, or our family background.

Deut. 11:13

Deut. 28:1

That is the qualifier: listening with the intent to do or obey.

1 Tim 6:17

God is training those of us who are in covenant relationship with Him to be humble and to recognize that it is Him, not ourselves, who gives us the power to get wealth.

The Protection of the Covenant

When we're walking in covenant wealth, you enjoy certain benefits beyond just the wealth that God places in our hands. When the anointing to prosper comes upon you, no one can curse whom God has blessed.

But when we're walking in the God-kind of wealth, there will be people—even church folks—who will hate you for no reason, just because the covenant has opened up to you.

Where are you going to be rich?

So we have to get rid of that high-mindedness now.

Thank God for your education and your blessings, but don't act arrogant because of them or because of anything that you possess.

. The devil doesn't want us to walk in this revelation. He doesn't want God's Name associated with the enjoyment of wealth.

But God likes good things.

That may be why some people are broke; they are too "holy" for God to use them in the area of covenant wealth.

Alignment With the Covenant, Encounters in the Word

When we are aligned with the covenant, it means we will have what God says we can have—what He says belongs to us—and we will align our spirit, soul, and body with whatever He says to us.

The covenant outdoes any natural profession. And God's Word is our access into this world of wealth—not your job and not your overtime.

When you truly have an encounter in the Word, you will put the Word first in your life.

John 14:21-23

John 15:7

We honor God's holy Word, and it hooks us right in to the Father, to Jesus, to the Holy Spirit, and to all the provisions of God.

Psalm 119: 105

There is no such thing as luck in the Kingdom of God. It's **light** that makes the difference between a poor Christian and a wealthy one.

THE DECLARATION

"This is my hour of prosperity, and I know that the way to receive it is through the Word of God. I am set for encounters in the Word of God. I am not going to live my-life as a beggar. I'm going to be a blessing to my generation. Lord, I'm ready. I'm not looking to anyone else, not even to myself. I'm looking to You. Help me, Lord, in Jesus' Name. "
