

## A Kingdom Principle For Prosperity

### Study Guide

#### Genesis 26:12

**Then Isaac sowed in that land, and received in the same year an hundredfold: and the LORD blessed him.**

There's a heavenly system set up to bless you, but don't think you're so special that you're going to walk into a dimension of more than enough without sowing. The kingdom of God is a seed kingdom (meaning it operates by seed), and it's set up to function in your favor.

**In Matthew 6:33, Jesus says: But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.**

The key revelation here is that "**seeking the kingdom**" is also about seeking how the kingdom functions and seeking what makes the kingdom operate. I'm telling you now that the seed is the **how** and the **what** behind the **way** the kingdom operates. God does nothing without a seed. **God Himself is a Sower!**

**John 3:16 says, "For God so loved the world, that he gave His only begotten Son, that whosoever believeth on him in him should not perish but have everlasting life.**

God wanted a family, so He sowed a seed to reap one. You must know that the conversation about the seed didn't start with **prosperity** teachers. It started long ago as a principle of the kingdom of God.

Once God taught the sowing system to Abraham, Abraham taught his son Isaac. We see Isaac in action in Genesis 26, and we learn a great lesson from him.

**Genesis 26:12 says, "Then Isaac sowed in that land [a land of famine], and received in the same year an hundredfold: and the LORD blessed him".**

Isaac sowed in famine and received a hundredfold. What does this mean for you?

It means that regardless of the condition you are in today, you can sow and receive a harvest, even a return of a hundred times as much. **There is absolutely no condition a seed can't change. In the same way, there is no bill a seed can't pay.** If you pay attention to what is said in this book, the Holy Spirit will be able to take you somewhere greater with a seed.

The way you overcome the enemy in your finances is by a seed. The way you overcome generational curses and how your ancestors lived is by sowing your way out of the level they lived on. No one in my family lives like me. The seed can change your life so much that some of your family members won't even recognize you. Just like that, the seed is ready to change your life and take you to another level.

If you watch the lives of people who consistently give, you'll notice that after a while their lives elevate to another level. They go to a higher place in their giving and their lifestyle. For instance, when you go on a cruise, the speaker welcomes everyone aboard and goes over logistics, now when you look at the people on the first floor, you look real good because you may not see them anymore."

You see after the orientation ends and another person walks up, holding a clipboard and starts calling out names — your name is included. The lead those whose name were called upstairs to an entirely new spectrum of living, and the majority of the people stay downstairs. You don't see them anymore. Why? Because on the higher level of that ship, you enjoy better service. It feels like another world up there. I'm telling you this to show you where you're headed. That's where the seed is ready to take you. You're headed off the bottom floor of your finances.

Sow, because it's a principle of the kingdom set up to take you to another level — **a level off of this world's system**. There's another place for the righteous to live. We have to let our light shine in our finances from this day forward.

Come on and go deeper with me through the Word of God that proves you are destined to sow and grow rich, just as Abraham did.

### **Seedtime and Harvest**

**Genesis 8:22** says, “**While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease**”.

**Seedtime and harvest... shall not cease**. Seedtime and harvest is God's divine plan to free you and take you off of the plans and systems of man. We are familiar with the phrase "seedtime and harvest" and fail to see that it's impregnating. The harvest grows out of the seed, and the seed grows out of the harvest. There is no such thing as seedtime without harvest, and there is no such thing as harvest without the seed.

**It's a principle that won't cease**. The whole spectrum of the kingdom of God manifestation is hidden in the mystery of the seed. **Prosperity, wealth, increase, and abundance** is hidden in the mystery of the seed, and as a child of God, that mystery is available to you.

**In Matthew 13:11-12, Jesus, the Master Seed Trainer, says: He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given. <sup>12</sup> For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath.**

Here, Jesus is teaching a masterful lesson on how the kingdom functions. It's given to you to know the mystery of the kingdom, and the key mystery of the kingdom is knowing the **operation, function, and production** of the seed.

### **IT'S VERY SIMPLE**

It means that your debt cancellation, your good life, and everything you want to produce financially in your life is yours through the **understanding and realization** of the seed. Again, it's given to you to know the mystery of the kingdom, and the mystery of the kingdom is the seed.

So, how have you been trying to get free financially? By a salary or by a seed? I'm not teaching you about what you can earn from a college education or a good salary.

I'm talking about kingdom education and kingdom income.

Unlike the world's system, no one can say they are left out of God's system of seedtime and harvest. If you don't get into college or finish school, you can be left out of the world's system of a good education and a good salary, but you can't be left out of this!

Regardless of your condition or intellect, it's set up to bless you. If you are a child of God, you can do this! You don't have to have a high IQ to know that God has put something in your hand, and you can sow it. You may think because you don't see a seed in your pocket right now that you can't do this, but you're mistaken.

**In Second Corinthians 9:10, we see there is no excuse for not having a seed. It says: Now he that ministereth seed to the sower both minister bread for your food, and multiply your seed sown, and increase the fruits of your righteousness.**

He that ministereth **seed to the Sower** — not to the crook. **God gives seed to the Sower.**

Not to the one who will spend it and act as if He is not doing what He said He'd do.

Many times, God has given you seed but you bought something with it.

Listen, you're not going to become prosperous if you keep eating (or spending) the seed God gave you to sow. You have to sow until you sweat — until you almost come into regret.

The kingdom of God is a **"seed" kingdom**, not just a **"saying" kingdom**.

Confession can't take the place of sowing.

You have to do more than talk about it. You have to actually use your hands to sow. Sowing can even hurt sometimes, but as you keep doing it, it gets easier. Sow your way out of the natural and into the supernatural financial plan of God.

Yes, God has a supernatural financial plan for you called **sowing. It's not called a job. It's called sowing.**

If you are ever going to reach where God wants you to be financially and live prosperously, you will have to understand that the supernatural financial plan for you is not just prayer. In saying that, I'm not taking anything away from the power of prayer, but the supernatural plan for your finances is sowing. Due to the lack of understanding in our Church, we've tried to pray everything down from heaven, but what we fail to realize is that most things are already down here.

**We pray, praise, dance, shout, sing, and worship, but it all comes down to the point of sowing in this area.** This is very important to understand. Sowing doesn't take a second place to praising and praying, but it is the key to the operation and functioning of the kingdom that the enemy can't understand nor stop.

I've had people try to stop me, but they couldn't do it. I continue, year after year, to function in the spiritual law of seedtime and harvest.

I also functioned in another spiritual law that goes along with seedtime and harvest — **LOVE.**

**1Corinthian 13:8 says, Love never fails.**

So, when you sow, **sow in love**. Never allow the people who get upset when you sow to offend you.

**Keep on sowing.** Seedtime and harvest will keep you balanced and operating in the love of God.

When you sow and grow rich, it's never about going after money.

It's about consistently **working the principles God has in place.**

The principles will cause money to come after you.

My life is evidence that the principle of seedtime and harvest works! You can come from nothing, and now you don't even have to pray for or think about money anymore. Just do what God tells you to do and it comes. **Prayer** isn't made for money. The **seed** is made for money.

This is why the Church has been stuck on the same level and in the same condition for so long. We've been praying about money. Saying, "I need this" or "I need that."

While, on the other hand, God is steadily saying: "No, I told you the way to do it. I'm going to give you the seed, but I can't sow it for you. I don't do anything **without your faith and seed.**

**You have to sow it, and then, I can change your condition."**

### **Declaration**

I decree, as long as we continue to seek the Lord, he will make us to prosper! As we remain committed to kingdom advancement giving, our financial dominion will be established this year! I declare that as giving and receiving becomes our lifestyle, supernatural abundance will become our testimony! As we continue to put the word of God to work, our lives will no longer be a question mark, but an exclamation mark among men!

I declare that I and the children whom the LORD hath given me *are* for signs and for wonders in Houston from the LORD of hosts, which dwells in mount Zion.
