

Seedtime and Miracle Multiplying Harvest

2 CORINTHIANS 9:10

Study Guide

As stewards of God's money, we must be bold in our giving. We must learn how to make a demand on the promises of God concerning wealth. We must learn to tap into the Word and the anointing that's on that Word.

There will be one seed that you will plant that will be the "fiery" seed, and God will say, "That is enough." We must be diligent in our sowing, because we do not know which seed is going to fire up our financial flow and change our life. Just know this: Your seed sown in faith begins the germination process of your financial blessing, but your continual sowing maintains the flow of prosperity and finances in your life.

The Multiplication Factor

2 CORINTHIANS 9:10

God never asks you to give or sow something without the intention of giving you more.

When God speaks to you, you are to get in line properly and trust Him totally.

Psalm 75:6

Everything we have comes from God,

We know many scriptures, but quoting scriptures is not the only thing we need to do. We need to see the hand of God in action.

Giving With Thanksgiving

God gives you a seed to sow. He tells you where to sow it, and He sets up the soil for you. You sow that seed where God tells you to sow it, and God multiplies the seed. Then you give thanks for what God has done for you, and that thanksgiving brings on the multiplication.

DEUTERONOMY 28:47

We are supposed to praise the Lord for the abundance of all things! Say that every day. During the day, we need to praise the Lord.

Act like you're rich.

You have to shout like you're rich before you are. Your confession will lead to a manifestation when you get excited about what you're saying.

Being thankful is one of the keys that causes God to bring forth multiplication in our lives.

JOHN 6:8-14

There is no shortage in the Kingdom. We are not to depend on this economy to determine how much wealth we can have.

We are covenant children of a covenant-making and covenant-keeping God!

A key to multiplication is being thankful for what you have now.

John 11:41

Thanksgiving not only multiplies things, it releases miracle-working power on your behalf.

We break into another realm as we sow our seed.

Did you know that you are never broke if you have a seed? Never underestimate the power of a seed.

Make Them Sit Down

You will have a supernatural transaction manifested by the Holy Ghost!

Don't be concerned about how it's going to happen.

Heb. 13:8

Jesus Christ is the same yesterday, today, and forever.

Jesus can take your bills, and all the limits can be taken off your life now. Supernatural, impossible money can come to your house!

Jesus Will Take You to the Next Level**JOHN 6:11**

How big can you dream? What is it that you want? How much did it cost the last time you looked at it?

Now you can't be afraid. The fear of what other people think has to be broken. Never be embarrassed about your blessing.

You Have To See It Before You Can Have It**2 Kings 2:10**

Are you up to the level of "as much as you would"? What can you see yourself doing and having?

Accounts With God

PHILIPPIANS 4:14-19

Notice it's giving and receiving. With God, there can never be giving without receiving. And there can never be receiving without giving.

Hidden money, money which you are hiding for hard times, is a confession for hard times.

When your money touches the hands of God, it becomes supernatural—meaning it starts multiplying. The moment that it touches God's hands, there has to be a harvest, but the supernatural process begins when you first sow into the Kingdom.

A Vision for Giving Into Good Soil

If you're not sowing where God wants you to sow, that money will not be multiplied back to you supernaturally. **You see, you sow with your spirit.**

When you open up an account with God—when you sow into His purposes—God becomes responsible for meeting your needs.

Fishes and Fragments

John 6:12

God's purpose has already been fulfilled when you see fragments in a person's life—a lifestyle that has been changed.

Those fragments came along after the purpose was fulfilled. When God uses someone to fulfill His purpose financially, the fragments belong to the one God uses.

When a purpose is fulfilled, God's blessings start flowing toward the individual He used.

God uses our hands to transfer His wealth into the earth realm. We who would be commanders of covenant wealth must realize that it's not about us, but about Him. We are simply vessels that He uses to fulfill His purposes.
