

## **Wealth Is the Will of God for You**

### **Genesis 12:1-3**

Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee:

And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:

And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

---

---

If we are in covenant with God through the New Birth (and if you have accepted Jesus Christ as Savior, you need to know that you are in covenant with God), He wants us to learn how to become a commander of covenant wealth.

What does that mean? It means you're not asking, but commanding wealth on behalf of the Father to use as He sees fit—for His plans and purposes.

Wealth is a covenant promise of God to His children that comes through their faith in and their obedience to Him.

### **Genesis 12:1-3**

---

---

### **Know Your Rights — Know Your Ability**

#### **DEUTERONOMY 8:18**

---

---

Wealth is part of God's covenant with His children for the assignment or job that He wants them to do while they are on this earth. That means walking in the overflow, walking in abundance, walking in increase, walking as the lender and not the borrower, walking in your needs and desires being met, and walking in your dreams being fulfilled and the Father's assignment being carried out while you are on this earth.

---

---

God did not say He would give you the wealth; He said He would give you the power to get the wealth. In other words, the responsibility for your getting wealth is not on God—it's on you!

#### **2 CORINTHIANS 8:9**

---

---

Jesus became poor so that through His poverty, you might be made rich! Jesus didn't become poor so that through His poverty you might be made poor too!

In the eighth and ninth chapters of Second Corinthians Paul is talking about money. He is not talking about being wealthy spiritually. He is talking about being financially wealthy with material gain and increase in your life so that we can be a blessing.

---

---

As far as God is concerned, the wealth is already yours by virtue of the covenant. As far as He's concerned, you are already rich, you are already out of debt, and you are already financially free. What you need to deal with is the power—the authority, the endowment, the ability, the anointing—to get the wealth manifested.

**Deut. 8:18**

---

---

We must understand that the phrase "**as it is this day**" means that the power to get wealth is still in existence in this generation. That means that every child of God has the ability to walk in covenant wealth. But in order to walk in that wealth, we must know and understand that wealth is the will of God for us!

**2 PETER 2:1-4**

---

---

Being a partaker of the "divine nature" means that we have supernatural abilities.

It's time to declare, "Jesus, You are the Lord of my finances. I'll never be broke another day in my life, because I have a covenant with You!"

**Hebrews 3:7,13,15**

---

---

**Deuteronomy 28: 13**

---

---

**Gal. 3:13**

---

---

**PSALM 35:27**

---

---

God is your heavenly Father, and we must know that wealth is the Father's will for us.

---

---

---

**Make Covenant Wealth Your Reality**

Covenant wealth is a reality. Supernatural debt-cancellation is a reality. Supernatural increase is a reality. Supernatural favor from God is a reality.

---

---

You have the ability for every impossible situation in your life to become possible, Everything that the devil says you can't have—that is what you can have! It is God who empowers you to have it!

---

---

**Genesis 15: 1**

---

---

God continued confirming His covenant with His man Abraham, and He wants to do the same with us today.

---

---

If you still have doubts as to your covenant of wealth that God has provided through the precious blood of Jesus, I encourage you to carefully study the Scriptures for yourself. Don't let the enemy keep you back one more day from possessing what God has provided and what He wants you to have.
