

Deliverance From Debt

Genesis 12:2,3

STUDY GUIDE

And thou shalt be a blessing..., and in thee shall all families of the earth be blessed"

Do you ever wonder how your life would be without debt? Think about it, by the time you finished writing checks for school loans, car notes, rent, credit card bills, and monthly utilities, you barely have enough to survive until the next payday. With the addition of children, you discovered that your income is no match for your debt. It won't take long for you to realize that you need more than credit counseling or debt consolidation to get out of the fix you're in—you need a miracle.

God Wants Us to Prosper

Psalm 35:27

John 10:10

What we must realize, is that debt is a demonic spirit designed to keep us from experiencing the abundant life that Jesus made available to us.

It destroys marriages, damages credibility, and drives people to suicide, murder and bankruptcy.

Why continue to settle for "not enough" when the Word says He wants to give you more than enough to meet your needs?

The Time Is Now

Now is the time to apply **faith pressure** on the anointing of debt release! As Believers living in these last days, it is vital that we get out and stay out of debt.

Genesis 12:3

We must get out of debt once and for all—not only for your sake, but also for the sake of those who have yet to experience God and the immeasurable benefits of living in His perfect will.

God wants us to experience **total life prosperity**.

This includes mental, physical, spiritual, and financial wholeness.

In order to walk in the abundance and total prosperity promised in God's Word, we must first stake our claim to it.

Matthew 11:12

There are biblical principles that must be applied to our situations and circumstances before we see the manifestation of debt release. And the only way to apply those principles is to first destroy old patterns of thinking and develop a new mindset concerning debt and prosperity.

How can an impoverished people bring honor to a wealthy God Who owns everything?

1 Timothy 6:10

It's the love of money— having a wrong relationship with money—that is evil. Why? You can't fill a spiritual void with material things. That's called materialism.

God Has a Purpose

Isaiah 55:8

God never delivers you out of something just for your personal gain. Instead, your deliverance always benefits someone else. He has **a plan** for getting you out of debt and **a purpose** for putting money into your hands.

We must be ready to yield to God and allow Him to direct us in our spending and saving, and more importantly, in our giving.

Because whether you realize it or not, there are millions of people who have yet to hear the gospel, and our money can assist God in His mission to get the good news to the lost.

Galatians 3:29

Romans 13:11 (AMP)

Salvation (soteria), means: "deliverance, protection, soundness, prosperity, health, and preservation."

Gods Way Works

We can't survive like this anymore! We've got to have a better plan. We need God to Show us!

Also get ready to be ridiculed by many. However, consistency is the key to the breakthrough. We will not only be delivered from debt, but we also be delivered from people and what they say about us. In addition, we will be able to help others get out of debt.
