

## **Jimmy's Sermon from Better Lovers- Loving Those Who Hurt Us.**

1. Describe as a group what loving well looks like.
2. Do you have trouble loving someone because they hurt you? Does someone have a victory story about a time where you were able to love someone despite them hurting you?
3. Why is forgiveness harder towards someone who has hurt you?
4. Why do we feel retaliation will help?
5. Is it ok to set up boundaries. Do you agree with what Jimmy had to say about boundaries?
