SCRIPTURE: EXODUS 11-12

DEATH OF THE FIRSTBORN (EXODUS 11:1-10; 12:29-36)

There are three things that are addressed about this final plague: There is a prior \_\_\_\_\_ of it; then the \_\_\_\_\_ of it; and finally the \_\_\_\_\_ of it. Even before Moses left Midian it was revealed this contest would necessitate the death of the firstborn of the land of \_\_\_\_\_. What God promises will be \_\_\_\_\_! It cannot be said that God does not warn of \_\_\_\_\_. None of the gods of Egypt could \_\_\_\_\_. This plague, it was the final demonstration of God's \_\_\_\_\_.

PASSOVER OBSERVED (EXODUS 12:1-28)

Before the fulfillment of this final plague God gave Israel a special \_\_\_\_\_ called "Yahweh's Passover". It centered around the \_\_\_\_\_ and \_\_\_\_\_ of a lamb, and a festival of \_\_\_\_\_ bread. Each with detailed instructions for observance.

EXODUS OF ISRAEL (12:29-41)

Egypt being brought to its knees under the mighty hand of God's \_\_\_\_\_, Pharaoh commands that the Israelites leave his domain with no \_\_\_\_\_. This is an unconditional surrender. Israel obtains much \_\_\_\_\_ from the Egyptians, silver, gold, & clothing. 430 years to the day of arrival the Israelites left Egypt/

MEMORIAL OF REDEMPTION (EX 12:41-51)

A \_\_\_\_\_ multitude required the restatement of the Passover regulations. This ordinance was given for Israel to always \_\_\_\_\_ what God has done for them! It is God's way of \_\_\_\_\_ and \_\_\_\_\_ faith through a multi-generational event. (Ex 12:26-27)

CONCLUSION

Believers also have opportunity to identify ourselves with Christ and transmit the story of God's faithfulness to our sons and our daughters through our personal testimonies of redemption. We are to take time to teach the next Generation the faithfulness, goodness, and redemption of God.
