THE ROAD SO FAR...

After dealing with the Golden Calf incident, Israel gets back on track with listening to God and obeying the covenant they entered into. Today's message is titled “ PRESENCE ” and it fits due to the nature of the last seven chapters of Exodus (33-40).

1. CRAVING GOD'S PRESENCE

A key element to this is REPENTENCE. This means that even when we falter, God desires to be near us and restore us. As we rely on God's presence and guidance we are encouraged to turn away from fear and trust in God's FAITHFULNESS.

2. COVENANT OF GOD'S PRESENCE

We should enthusiastically EMBRACE God's commands as it will bring us ever closer to Him. And like Moses, our countenance will be lit up when we have spent time with our LORD.

3. COMMUNITY OF GOD'S PRESENCE

This project was much more than a project - it was a sacred MISSION ! When God's people grasp the vision that God has laid before them, when we work as one with generosity and purpose, when we understand that we are truly in this together - nothing is IMPOSSIBLE !

4. PREPARING FOR GOD'S PRESENCE

So whatever it is we do, or are called to, be it working, or giving, or using our talents, doing the mundane, or the spectacular - we are to do it for the LORD - as He is dwelling in our midst. This causes a mindset shift from the grind of “ DUTY ” - I have to do this, to the joy of “ DEVOTION ” - I get to do this!

5. GOD'S PRESENCE

God's presence was with the Israelites in Egypt, He was demonstrating His power so that all would come to KNOW Him. Not just the Egyptians, but the Israelites as well. God was revealing His NATURE to the world through Israel's deliverance. This was His plan from the beginning, all the way back in Exodus 6. God was showing all peoples that He is God over ALL.

GOD'S PRESENCE TODAY - CONCLUSION

It was the presence of God that produced deliverance for the Israelites from their bondage. If you take anything away from the message today it is this: There is an INSEPERABLE link between God's presence and deliverance. For anyone who wishes to be truly free - you must INVITE God's presence into your life.
