INTRODUCTION TO SPIRITUAL GIFTS

In the past 100 years the Church (big “C”) has seen an exponential growth of adherents. Many ask, “What Caused this explosive growth?”

Ed Stetzer shares 5 key points:

1. The priority on evangelism. 2. Empowering the diversity of the church. 3. Aggressive church planting. 4. Mobilizing laypersons for the Great Commission. 5. Prioritizing the Holy Spirit.

The early church was Pentecostal/charismatic in their _____ **and** in their _____.

Spiritual Gifts 5 Factors They are: 1. Diverse. 2. From ONE Spirit. 3. For equipping the Saints. 4. Unified in their diversity. 5. To be stewarded faithfully. Pentecost: 1. Anointed believers with Power to do God's work. 2. Signified the Priesthood of all believers. 3. Created a Prophetic community.

The context is one of WORSHIP. The Spiritual Gifts are INCARNATIONAL in their nature – God works through human beings.

SCRIPTURES:

1 Corinthians 12:4-6, Ephesians 4:4-6

THE TRINITY IS FOUNDATIONAL

The sequence: Spirit, LORD, Father: Each _____ of the Trinity plays a vital role in the manifestation of the gifts of the Spirit. The Trinity is a “_____” in that it cannot be adequately explained or understood fully to our finite minds. But just because we can't understand something does not make it _____. Isaiah 55:8-9 tells us that God's ways are above _____.

ERRONEOUS TEACHINGS (HERESY)

Modalism, Sabellianism, or Monarchianism: The view that teaches that there is but One God, One person or being, who has _____ Himself in different ways at different times. God wore different “masks”. **Arianism:** divides the Godhead into three distinct essences and reduces Jesus and the Holy Spirit to less than full _____.

REFLECT THE NATURE OF GOD

True followers of Jesus Christ, those that have been redeemed and set apart by Him and for Him, must reflect the _____ of the God that they serve. There is no schism, divisiveness, carnal pride, self-glorification, one-upmanship, or usurping of another's territory within the _____. The proper use of Spiritual Gifts reflect the Trinitarian _____ of the Godhead.

CONCLUSION

Ministered properly, the gifts reveal the coordination, the creative unity in diversity, and the wisdom and power of God which the Spirit blends together.
