_____ king struggled with the _____ King. Four Phases of the Struggle: 1) They set over them _____. 2) Expanded their _____. 3) Instituted _____ controls. 4) _____. This parallels _____ in our own life.

CRY OF THE PEOPLE

God allows things in our life so we will realize our desperate need for a _____! God is not late in keeping His _____. God has a _____ and a _____ for you.

CONCERN OF GOD

God _____: God's ear is bending toward His creation listening to those that would cry out to Him.

God _____: God does not forget the promises that He has made to His people.

God _____: God knows what is going on in your life, the good, the bad, and the ugly.

God is _____: God knows you personally, your dreams and aspiration, your trials and troubles, thoughts and actions, motives and heart.

What is there that can separate us from the _____ of God?

CONCLUSION

The Exodus is a blueprint of the Gospel. All mankind is in a helpless plight, He heard the cry, remembered His promise, and knows each and every one of us! He arose and acted to change our plight – just like He did for Israel in Egypt!
