INTRODUCTION TO SPIRITUAL GIFTS

In the past 100 years the Church (big “C”) has seen an exponential growth of adherents. Many ask, “What Caused this explosive growth?”

Ed Stetzer shares 5 key points:

1. The priority on evangelism.
2. Empowering the diversity of the church.
3. Aggressive church planting.
4. Mobilizing laypersons for the Great Commission.
5. Prioritizing the Holy Spirit.

The early church was Pentecostal/charismatic in their _____
and in their _____.

Spiritual Gifts 5 Factors: 1. They are Diverse. 2. They are from ONE Spirit. 3. They are for equipping the Saints. 4. They are unified in their diversity. 5. They are to be stewarded faithfully

SCRIPTURES:

Romans 12:1-3, 1 Corinthians 12:1-3, Ephesians 4:1-3

THE SAME POWER

A core understanding of the God of the Bible is that He doesn't _____. There are _____ references to Spiritual Gifts in the

NT – not counting the miracles of Jesus! The _____ power that poured out upon the believers in the upper room is the _____ power that came upon the OT prophets. In the OT the Holy Spirit came mightily _____ men, in the new He dwells _____ them!

NATURAL OR SUPERNATURAL

Each passage on Spiritual Gifts instructs us to “present our _____ and _____ in spiritual worship”; “Don’t lose control of your _____”; “live _____ of God’s calling, have a right _____, keep the _____ of the Spirit.” 1 Cor. 6:19 calls our _____ the _____ of the Holy Spirit, therefore our _____ MUST be involved in our worship.

Natural Abilities – natural inclinations and/or personalities; talents. But natural abilities alone can never change the _____.

Supernatural Abilities – denies human involvement altogether claiming the Spirit _____ the mind, the person is not in _____ of their body. Both views are in error and in contradiction with Scripture.

INCARNATIONAL NATURE

Incarnation means “enfleshment” or “to put into the flesh” – it is the word that we use to describe _____ embodied in the flesh. It means that God works _____ Humans. Jesus, the Bible, and the Church are all incarnational in _____.

CONCLUSION

Spiritual Gifts are neither totally Natural abilities, nor totally Supernatural, they are Incarnational”: God working through humans as we consciously submit ourselves to Him allowing the Holy Spirit to enable us for ministry.
