

Vayiqra 3/25/23
Leviticus 1:1–6:7.

I. Once again, I'm truly amazed at the prophetic disclosure that speaks to this current generation from within the depths of the weekly Parsha! Each ancient text becomes a foreshadowing Prophetic Message for our generation. Here we find YHVH speaking – וַיִּקְרָא – Vayiqra - to Moshe from a very distinctive place: The Tabernacle - מִמַּאֲהֵל מוֹעֵד – m'ohel mo-ad. Is there a viable, living, “*Tabernacle of His Presence*” in our future? Perhaps if we break these words apart we'll find evidence of which, if any, Tabernacle we can expect Him to speak to us from in the coming days! To begin, in each above word, the prefixed ‘Mem’ is a preposition that indicates ‘*from or out of*’ as in a source of origin. It also connotes a womb. These two words are so important, that I want to focus our study on what we find hidden here!

- מִמַּאֲהֵל, the root H#166, ohel indicates a tent of skins. It is from ahal, that which is shining and vibrating! This reminds me of the Original Adam who was given a shining, vibrating body of light, later to become a ‘skin tent’ whose light became emblematic of the means of restitution – the Congealed light – blood of the Lamb! It is this Blood/Light that must be deposited in a Future Adam – Tabernacle!
- מוֹעֵד, here the base word, H#4150, Mo`ed indicates an appointed time, season or appointment, a specific point in time. It originates from yaw`ad to fix, betroth, to espouse, to point out something before, to summon to court in order to plead/litigate! Herein lies an aged, buried clue that once understood, will give us a fixed and forthcoming timing for the Manifestation of the Final Tabernacle!

It would seem that YHVH is using the physical Wilderness Tabernacle to remind a future Israel that as surely as He once spoke with them precisely from this Tent, the events were written for this Generation of Israel who are, in effect, witnessing a rehearsal of a future appointed time when just as YHVH is speaking to Moshe from out of the Skin Tabernacle here in – Vayiqra - in the future “**One Who Would Come**” would once again occupy the Skin Tent of Adam’s flesh and out of there - He – Yahshua would likewise speak to a future Israel and summons the Bride before the World in order to lawfully Espouse her! From this definition we

can also deduce that an apparent expected *LEGAL* (Though Not lawful) argument would be presented questioning both His role as Groom [The Last Adam] as well as, who the prospective Bride would be! Bear in mind, the model of the Tabernacle and the intimacy with the Nation of Israel referred us back to Genesis 2 as it clearly resembled the relationship of Adam and Ishah in a '*Naked and not ashamed*' condition in anticipation of producing Sons. This remained until the bitter waters of the Golden Calf incident, revealed their (Adam and Chavah's) Fall, which could only produce a Dead generation! Without REMEDY in Law unless a Living Heir is found! By the way, Bitter Waters = LOST AT SEA! YHVH sets in motion a Living Trust until the Adam - Israel can live again!

This was certainly the case at Yahshua's arrival 2000+ - years ago as He arrived to restore the Living by walking above the Sea! All the while, the Corporate Edomite Roman Levitical system denigrated him. Today, that is the exact condition that we find ourselves currently in! THEY HAVE NOT CHANGED! Don't you be a sucker and believe it! The Enemy interjected himself into this argument in **Gen. 3**; again a 2nd time at the coming of Yahshua and once more, in the near future when a False-Messiah, with a Harlot Bride will assemble at a charismatic Temple designed to seduce the Masses in order to prevent them from becoming Living Men!

As we continue, I want to zero in on the above term Mo`ed to find out how it fits our script, in particular as it (The Mo`ed) regulates the timing of YHVH's Vayiqra - 'speaking - seeding', while M'ohel gives us the 'place'. This enigmatically speaks of OVULATION - *A naked and not ashamed condition* - where proper timing is crucial to producing life!

I believe ascertaining this is imperative as the Powers That Be rush to build a 3rd- Temple/Tabernacle that is being touted as the future speaking - seeding location - M'ohel - while they await the Mo`ed - 'timing'. All this in addition to their choice of whom the Bride supposedly is! In that event, then this GLARING COUNTERFEIT - of necessity must have a genuine twin being modeled after the heavenly pattern - tabniyth once again! If such is the case, where is it and when can we expect it? To possibly understand the future portent we must tread carefully...

The first instance where we see Mo`ed used is in **Gen. 1:14** *And Elohiym said, let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons (Mo`ed) and for days, and years:*

There is an indissoluble bond between the '**Lights in the firmament**' and this word **Mo`ed** which regulates the 'Timing' of this family planning. Thus, it would

enable us if we were to find out more about these lights, if we indeed expect to be shown the future place and time where we would be spoken to – receive seed – be made alive - from these same sources! These very lights should also reveal the Tabernacle and Bride! *The Spirit and the Bride say: “Come”!* **Rev. 22:17**.

The above Hebrew plural word for ‘lights’ is **מארות**, ma’owrote, a light or luminary from H#3974, Ma’owr, **מאור**, whose root is taken from H#215, **אור**, owr, to shine, to become light or fire. The gematria of ma’owr is 247, the same as **מזר**, the root of Mazzaroth – the Zodiacal constellations! Is it possible that the original VOICE first spoke from the Tabernacle in the heavens after which the wilderness Tabernacle was patterned? Of Course!

It should not surprise you then to see the word play in the text: “*And said Elohiym...*” **וַיֹּאמֶר אֱלֹהִים** – V’yomer Elohiym – *Note: The root of ‘and said’ is **אמר**, `Amar, H#559, to speak, to say. It is different from the Hebrew Dabar, a specific word or thing, the entire message, in that Amar tends to reflect the general ‘act of speaking’. Thus, we can conclude that the WORD – DABAR of Elohiym – later became The WORD MADE FLESH – typified in the Wilderness Skin Tent! He who was GIVEN AN IMAGE - literally given a body, was the same prophesied of before the foundation of the world and found encapsulated or embodied in the Lights – Ma’owr! This ‘prophesying’ became the AMAR – the Act of speaking into creation before seeing the Image or Dabar manifest! Incidentally, Amar has the same root letters as Ma’owr! These Lights – Ma’owr - embodied the Spoken Words – Amar - of Elohiym.

That being said, the summarized message of the Zodiacal Heavens reveals both a concise image of, as well as, the intricate details of the pattern of the Throne or Sanctuary of Elohiym. In like manner, Moshe was given the pattern – the Picture or Image, I.E. the Tabernacle Man Picture likened after that of the Heavenly Throne and Tabernacle while the Zodiacal heavens became the blueprint giving details for construction! You can see this in the Hebrew word for ‘Pattern’, H#8403, **תבנית**, tabniyth, pattern, likeness, form, and similitude. From H#1129, **בנה**, banah, to build, erect or construct! From what we’ve gleaned thus far, one might ask how this pertains to our current Parsha.

There are other parallels in our Parsha – Vayiqra – that add emphasis to the “*Message in the Heavens*”. In fact, the root letters of Vayiqra – **ויקרא** – also give

us the root of the Hebrew word for firmament – raqiya - only styled with the Ayin instead of the Alef – both silent letters! רַקִּיעַ. The root of raqiya hints at something hammered or beaten, stamped out and spread or overlaid upon something else! Could the Message of the Stellar Luminaries literally have been similar to a printing press engraved upon or stamped out with the Words of the Covenant as an Eternal Witness revealed to the Adam upon the Earth? If so, what bearing does this have on our future, especially regarding where, when and how Elohiym will speak to us?

I strongly contend that Elohiym will ONLY SPEAK FROM ONE PLACE – ONE SYSTEM! And that place/system will be housed in the TABERNACLE – BODY OF HIS DESIGNATION! Accordingly, answering the above will aid us in determining the validity of the Priestly System charged with mediating between Elohiym and Israel and from that location alone the Divine Oracle would speak! At present, there seem only 2 viable choices that candidly, are locked into conflict as we speak: #1. The Melchizedek Priesthood #2. The Levitical system. Establishing the purpose of each above will then expose The 3rd Temple in comparison to the Tabernacle Not Made With Hands respective to each Order. Let me divert your attention for a minute...

Take Note of these recent statistics that tell us the Vast Majority of Israel has been vaccinated, with Israel being the leading Nation regarding percentage of population inoculated. Next, we're told that the Knesset is pushing laws to imprison anyone who speaks of Jesus – Yahshua. Now, this lets me know first, that if the 3rd Temple was built you couldn't get in if you are a "Pureblood", moreover, neither is Jesus/Yahshua welcome in the Country, much less their Temple! So, you do the math here – for who is this 3rd-Temple being built? [<https://www.informationliberation.com/?id=63650>]

Based on the above, a reckoning of **Hebrews 9:11-12** is in order: *But Messiah being come an High Priest of good things to come, by a greater and more perfect tabernacle, not made with hands, that is to say, not of this building; neither by the blood of goats and calves, but by His own blood He entered in once into the holy place, having obtained eternal redemption for us.*

One cannot argue that the original ETERNAL Melchizedek Order was set in motion by the 'blood of the lamb' slain before the foundation of the world [**Rev. 13:8**] and brought to fruition upon His execution and resurrection! Let's get a little closer to the edge if you will: ☺

The Melchizedec - Zodiac Connection:

- II. Few would argue the existence of the Melchizedec Order named after the figure depicted in **Genesis 14:18** However, many dispute the validity of that order as a viable Priesthood juxtaposed to that of the Levitical. However, based on our premise of the entire Salvific Message being written in the luminaries of Ma'owr by the Amar – speaking of Elohiym and how their message reflected ONE WHO WOULD COME AS BOTH KING AND PRIEST, then we should expect confirmation from the same? Right?

That proof is there and validated by a preponderance of astronomical evidence! Sometime around 4-7BCE (Exact date is debated) during the festival or Moedim of Sukkot a conjunction occurred in the Heavens between 2 of the largest planets in the solar system: #1. Jupiter known as the KING PLANET whose Hebrew name is ZEDEC – King = Malchi – Zadek #2. Saturn whose Hebrew name is **שבתאי** – Sabbatai from Shabbat, the root being SHEVA – to seven oneself or covenant, to swear! From this we can deduce that a Swearing occurred in the Heavens - regarding ONE WHO WOULD BE A PRIEST FOREVER AFTER THE ORDER OF Melchizedek! (**Ps. 110:4**) This occurred announcing the nativity of Yahshua, the Messiah!

As we consider the above, we must remind ourselves that this Parsha is unique thus far, as a result of the tenor of the priestly narrative changing. For instance, in Genesis we have a perspective that reveals the individual progression of the Melchizedek Priesthood from one patriarch to another while Exodus entails how that office is collectively represented by the entire House of Israel, then suddenly, right in the middle - Leviticus – Vayiqra – it changes to disclose the institution of the Levitical Order and the implementation of the animal sacrificial system.

We must tread cautiously here, because if what we surmise is true, then in the near future Elohiym will once again Vayiqra – Speak to Israel out of His Tabernacle (The Location) and at an appointed time Mo`ed (The time). For the express purpose of producing Living Sons – Men! I would therefore expect the enemy to produce an identical twin in order to seduce the masses into the wrong camp!

Be that as it may, these two 'systems' contrast greatly in their respective redemption mechanism, namely 'Blood'! The Melchizedek Order's cleansing agent is the blood of the Last Adam - One Who Would Come in the Flesh – while

the Levitical Order derives its' power from the shed blood of animals which, sadly, cannot atone for Man, rather it only sets aside the judgment until a future date.

What future date? If animal blood can never fully atone for sins only postpone judgment until the coming of Yahshua then He cannot submit Himself under the Levitical Order else animal sacrifice remains the 'go to' for redemption! This is itself an exercise in futility! Yahshua - who Himself, is "After The Order of Melchizedek" (Ps. 110:4) must, of necessity, implement a higher atonement – the blood of His sacrifice! Stop! Please look at the above text:

*YHVH hath sworn and will not repent; You are a priest forever **after** the order of Melchizedek.*

First, this is a sworn statement: Sworn, H#7650, שבע, shava, to swear, adjure, take an oath! To '7' oneself! It is the same root as Sheva – as in '7', the root of Sabbath! This root is interesting to say the least! It insinuates that the cyclical 7th-day is the exclamation point upon the SWEARING of an OATH upon creation for a *specified purpose*! What Purpose?

If one researches, throughout the Tanak, the only occasions (And there are many) where YHVH is found swearing is always in connection with HIS promise to Abraham regarding a perpetual SEEDLINE that will produce the Promised Seed or Son! This includes Gen. 2:3 where The Sabbath becomes the venue or appointment (Mo`ed?) forever established for intimacy between Adam and Ishah or Messiah and His Bride in fulfillment of Gen. 1:26-28 ...*be fruitful and multiply*... The Sabbath was established as the place and time to produce sons after the IMAGE of Elohiym! As such, you cannot separate the Shabbat from the Melchizedek Order! It is not an accident that Abraham met Melchizedek immediately after the above event where YHVH swears regarding his seedline!

Yet, this verse in Ps. 110:4 appears an anomaly, as it is touted as the ONLY occasion of YHVH swearing which *emerges as if it is not connected* to the Promise given Abraham of a never-ending SEEDLINE from which the Promised Seed would come! But, was it?

Adam was intended to be that King-Priestly Vehicle, and to function as a Righteous – Zadek - King – Melek. However, the Plan of Redemption had already been set into motion with the *'Lamb slain before the foundation of the world'*... Rev. 13:8. This indicates the fall of Adam was accounted for and no DNA

from his fallen seedline could be attributed to that LAMB-ADAM who would come! It would require one without Adamic lineage: I.E. no earthly father, no reckoned genealogy connected to the 1st Adam, no beginning of days nor end of life. Simply put, only the One Who Was and Is and Is to Come – The I AM THAT I AM – COULD BE THE MELCHIZEDEK KING AND PRIEST! This is why **Ps. 110:4** has this sworn statement! It connects to the promise of Sabbath and a perpetual Seedline that could only be credited to the paternity of Elohiym, with that SON as the ONLY POSSIBLE CANDIDATE FOR HIGH PRIEST!

As a sworn statement, just like the Sabbath, it can never be amended, retracted or abolished. To do so, invalidates the immutability of HIS WORD! Thus, His priesthood is established forever – **AFTER** – the **ORDER** of Melchizedek.

- After, H#5921, **עַל**, upon, on the ground of (A legal term) according to, on account of, on behalf of...it comes from the root of H#5920, **אֵל**, indicating the top, the Highest, the most High!
- Order, H#1700, **דְּבַרָּה**, dibrah, the feminine of DABAR, indicating speech, word or utterance as well as, by reason of, a suit or cause, an estate!

Whomever this verse is speaking of, He is forever set into this office. The Highest office achievable because the Word is a rendered judicial decision uttered as the final determination of a Lawful suit against the estate belonging to the Melchizedek! Yahshua is the ONLY LAWFUL HEIR TO THIS ESTATE! HE IS THE “I AM” – FROM THE BEGINNING! FIRST IN TIME, FIRST IN LINE! No other order or system is higher! If He willfully submits to another, then a STRAWMAN is created – much like the Levitical Order – who oversees His estate because He – The Adam - is considered DEAD just like the Wilderness generation! The resurrection of Yahshua took ownership instead of the STRAWMAN and opened the door for HIS NAME’S SAKE – HIS INHERITANCE TO BE ACCESSED BY HIS HEIRS!

Strawman in the Wilderness!

- III. If you’re able to grasp what we’ve shared thus far, you’ll remember that Exodus ends with the completion of the Wilderness Tabernacle and for all intents and purposes, Israel is ready to begin their journey to the Promised land. Israel was supposed to become a LIVING MAN at Sinai! Now, to access their inheritance.

Soberingly, that first step away from Mt. Sinai doesn’t take place at all in Leviticus/Vayiqra and is not until 9-chapters into Numbers! What we find in this

Book – Parsha are instead a comprehensive overview of the Levitical Order and its sacrificial system. **Neither of which allowed Israel to function as a Kingdom or Nation of Priests! The Melchizedek Order is officiated by LIVING MEN!**

Instead, the Levitical system became a hierarchical or Class-Conscious religious and political entity later conjoined with Judaism as a Strawman while a Cestui Que Vie (He who lives) TRUST is set into motion because of the Golden Calf incident, which considers that entire generation as DEAD MEN!

The LAW becomes both the Grantor and custodian of the estate while Israel remains in the wilderness - *because the blood of animals can never assuage the death penalty* only postpone access to the Promised Land and its allodial title until ONE COMES WHO CAN PROVE HE IS NOT DEAD! *Remember the accusation of Yahshua **Matt: 23:27**? *Woe unto you, scribes and Pharisees, hypocrites! For you are like unto Whited sepulchers, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness.*

In this regard, the idea of a “3rd-Temple” as THE DWELLING PLACE OF YHVH must be examined! It plainly functions as part of the Strawman itself being a ‘Dead Entity’. How you ask? Without the Presence of Yahshua recognized as the High Priest after the Order of Melchizedek there remains no viable alternative to offset the penalty of death! This Temple will have no life in it! Therefore, it cannot be the place from which Elohiym speaks – Vayiqra – in the future! In fact, the law requires the State to speak on behalf of the DEAD MAN’S affairs until such time as someone alive is found to speak for him!

Yahshua as THE SON OF YHVH became the ONLY LIVING MAN capable of speaking for Israel and His blood alone offers a ‘Born-again – Living Man’ opportunity! However, neither the State of Israel, the Judaic religion, the proposed re-instated Levitical priestly order, nor the Temple “faithful” welcomes him! So, the only alternative left to give “life” to this Temple is the appearance of another MESSIAH – who must (Feigning ‘Son of God’) be Part man/Part deity (Nephylim). He who will sit upon the throne built for him will attempt to speak for Elohiym and also to change the SET-TIMES or MO`ED! In order to effect ovulation and insert his speaking – seeding into the Harlot Bride! Exactly as Lucifer in **Is. 14:13**! *For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of YHVH: I will sit also upon the mount of the congregation, in the sides of the north.*

Ichabod Returns:

There can be little argument that the current religious community, be it Judaic, Christian, Hebrew Roots, etc. is teetering upon the brink of Apostasy! This was the same condition in the days of Eli and his sons who flagrantly violated the Torah of YHVH. This resulted in the loss of the Ark of the Covenant, the symbolic ‘Seat representing the Husband’ in the Tabernacle! Hence, Ichabod is used to describe the absence of the Glory of that Place, His position, standing! Glory is a BEING!

- Ichabod, H#350, **אי-כבוד**, usually translated ‘*the glory has departed*’. Glory was THE PERSON OF YHVH! The Alef-Yod conjunction is a particle of negation. No or Not! While the kabad root H#3513, **כבוד**, is usually defined as ‘glory, honor, weightiness’. The value of Ichabod is 43, the same as Luz, the place of Jacob’s vision of the ladder, which is later called ‘Bethel’ – the House of YHVH!

Kabad is traditionally limited to the above definition, yet hints both at the Weighty Position of the Tabernacle Man – Husband – as the Seat of Procreative Power, the origin of generational life! While the Bride – Israel came to Him at specific (Optimum ovulation) MO`EDIM – Times designated for HIM to speak – Vayiqra – release SEED or LIFE into them! In order to break the Power of death from off Israel and restore generational access to the Living Trust established in **Gen. 1:26-28**. From Creation forward it has been the intent of Elohiym to produce Sons in His Image: From a scientific perspective that Image is DNA!

We are being admonished to ‘*Come Out of Babylon*’. That entails a spiritual change that first begins in the DNA. It manifests itself in the natural by restoring life to the DEAD MAN! The DEAD cannot speak for themselves! I.E. As a Dead Man – corporate fiction - You cannot procreate or produce Living Sons, thus neither has a generational future! This is the reason YHVH calls to Moshe – *the One Drawn Out of the WATER– SEA* - a type of Yahshua: He is set in as Trustee to ensure that the Inheritance remains available while Israel is incapable of speaking for themselves!

In it’s limited capacity, the Levitical system can never produce Living Sons – Living Men. Further, by denying Yahshua, the only recourse available will be to continue to once again, look toward the 3rd – Temple golden calf – an illegitimate, fictional Strawman with corrupt DNA. This is a source from which Elohiym will never speak. In the meanwhile, the Melchizedek Priest is gathering the Living Stones Tabernacle – THE SONS OF ELOHIYM – and He will meet us at the

sacred times – Mo`ed and Speak to us – restoring the Tabernacle of the Most High!
The Living Man!

Shabbat Shalom!
